SYNOD UPDATE

In February and March all parishioners were asked to take a survey as an initiative to make our parishes more vibrant. This was part of the decrees of the 2018 Diocesan Synod. In June, all parishes began a process to work through their survey results with the help of the Catholic Leadership Institute. A team was chosen by Father Pat to look at the strengths of St. John Vianney Parish, and the opportunities to grow and strengthen, according to the survey. Now that these considerations are underway, some regular updates about the survey and about our parish strengths and opportunities will be published in the bulletin for everyone's consideration. Thank you for your prayers and your faithfulness.
